# Our 2025 Retreats

The Sisters of Saint Joseph, in the spirit of Mary MacKillop and Julian Tenison Woods, have a long history of responding to spirituality and faith formation needs. After the Second Vatican Council, Spirituality Centres were established as the Sisters opened their hearts to the needs of the Church, other religious communities and the wider public. Our Centres span the country and have been beloved for many years.

As the Spirituality Ministry of the Sisters of Saint Joseph enters a new chapter, we have endeavoured to diversify, broaden and increase our offerings for 2025. We are delighted to be offering these longer retreats and sabbaticals as opportunities to nurture one's spirit. These programs are an invitation to all to encounter the sacred in their lives.

# Pricing Information

The Sisters of Saint Joseph have generously subsidised and financially supported retreat programs at our Centres for many years. The newly formed Spirituality Ministry is working towards financial sustainability to ensure the provision of retreats for all well into the future and has increased prices relative to the rising costs of programs. We remain committed to the spirit of the Sisters of St Joseph in making sure that nobody is unable to do a retreat due to the cost being too high. To this end, participants who are unable to afford a retreat may apply for a discount or waiver.

## Retreat in Daily Life

2 August – 14 September  
Josephite Mission and History Centre  
Hobart, TAS

*"It's much more like a dance, in which our first dance partner is God. But whenever we spend time with God and let God lead us, we are always led back to embrace other people – for example, the one whom we forgive or who forgives us. This forgiveness then gives us the freedom to go and live more generously with others in the wider human family. And then we go on to dance the dance of love with them too."* – Marina Berzins McCoy, The Ignatian Guide to Forgiveness.

This retreat (with two book-ending weekends) is about discovering the joy of dancing with God within the grace of forgiveness, by infusing everyday life with the grace of God. Expect an invigorated relationship with the master Dance Partner (God). The weekends will include input, individual silent reflective time, individual spiritual direction and creative resources. Prayer resources will be provided, and participants will commit to around 45 minutes of prayer each day and a one-hour spiritual direction session each week.
